SUBJECT: PORTUGAL/EU REGARDING IAEA ACTIVITIES IN THE DPRK

REF: A. SECSTATE 133867

[1](#)B. LISBON 2418

[1](#)1. (SBU) Interlocutors in the Portuguese MFA,s Security and Disarmament Division told us that they are canvassing Six-Party Talks participants regarding potential European Union support for IAEA activities in North Korea (Ref A). They noted appreciation for our Ref B views, and will propose EU engagement in the next CONOP meetings. They also noted that they have not yet heard from the other participants in the talks.

[1](#)2. (SBU) The Portuguese do not know in what form the EU support will take. They expect a financial contribution will be approved, but hope some form of technical assistance will also be possible.
